

The IMC University of Applied Sciences is a university of applied sciences located in Krems, Austria. We provide practice-oriented academic education complying with international standards. Our core competences are business studies, health studies and life sciences.

An exciting opportunity has arisen for experienced academicians with an international portfolio in teaching and research at the University of Buraimi (UoB) in the Sultanate of Oman. The UoB is a newly founded private university in the city of Al Buraimi and run by IMC University of Applied Sciences Krems as consortium leader of European Universities from Austria and the United Kingdom.

As of the fall term 2009/10 the following three positions of

Deans

will be filled.

- 1. College of Engineering**
- 2. College of Health**
- 3. College of Commerce**

Responsibilities comprise the management and further development of the respective college as with regard both to teaching and research, delivery of courses and applied research projects and executing functions in research and knowledge transfer. The successful candidate is expected to represent the college both in-house and externally and to commit oneself in the development of the UoB.

Qualification and experience:

- Academic degree (Ph.D.)
- 5 years of relevant job experience, at least two years of which should have been gathered outside the academic world
- Special performance in developing and applying scientific knowledge and methods.
- Experience in project management
- Proven educational skills, evidence by trial lecture
- Excellent command of spoken and written English

Competencies:

- Highly developed ability to inspire, lead and implement innovation and change in the colleges
- Empathy and effective communication skills in interpersonal relationships
- Maintaining effective working relations with people in a multicultural, multi-ethnic environment with sensitivity and respect for diversity
- Negotiating skills, leadership skills, ability to resolve complex and/or sensitive issues
- Demonstrated supervisory and management skills, possibly in Higher Education

The successful candidate is expected to take up residence in the city of Al Buraimi as of September 1st, 2009.

For full consideration, materials (letter of motivation, CV, lectures held etc.) should be received no later than **June 20th, 2009:**
